State two new concepts from this class and give one (1) example of how this concept will influence patient outcomes.

1. Concept: _____
Example: _____
2. Concept: _____
Example: _____

Learning Outcomes: As a result of this training, I *intend* to:

- Implement changes in my practice such as
I will use these skills/knowledge Immediately as circumstances arise
 Will access the source of the information for further research on practice implications
 Not applicable to my practice

Over please.

Circle the appropriate number, one (1) being poor through five (5) being excellent. Indicate N/A for items not applicable.

Author / Faculty:

1. Mastery of content and skill	1	2	3	4	5	N/A
2. Presentation skills	1	2	3	4	5	N/A

Materials:

	<i>Poor</i>			<i>Excellent</i>		
1. Quality of print materials	1	2	3	4	5	N/A
2. Quality of audio visual materials	1	2	3	4	5	N/A
3. Instructions were clear	1	2	3	4	5	N/A
4. Content was easy to follow and understand	1	2	3	4	5	N/A

Other:

	<i>Poor</i>			<i>Excellent</i>		
1. Organization/logical sequence	1	2	3	4	5	N/A
2. Usefulness/practicality	1	2	3	4	5	N/A
3. Self Study format is beneficial	1	2	3	4	5	N/A
4. General Rating: (Overall Quality)	1	2	3	4	5	N/A

How applicable is the content to your daily professional activities?

What other topics would help you better perform your job?

Comments:

THANK YOU!

This Evaluation Form meets the Accreditation Council for Continuing Medical Education's (ACCME) Element 2.3 and Element 2.4.

Huntsville Hospital CME Committee designated this educational activity for a maximum of up to 0.5 credit Category 1 towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

This activity has been planned and implemented in accordance with the Essential Elements and Standards for Commercial Support of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Huntsville Hospital and the Spine and Neurosurgery Center. Huntsville Hospital is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians. Huntsville Hospital takes responsibility for the content, quality, and scientific integrity of the CME activity.
